ANNUAL CLUB REPORT – HENRY LAWSON FOOTBALL CLUB – 2026 Season

2026 was a year of community spirit, resilience and achievement for Henry Lawson Football Club. Following a change in club leadership early in the season, we came together with a shared commitment to putting our players, families and community first.

Throughout the season, our events brought people together and celebrated the support within our club. In May, Women's Football Week recognised the girls and women involved in our sport. Market stalls and activities created a fantastic weekend, celebrating their contribution to football and our club community.

In June, we hosted our first Breast Cancer Awareness Round, supporting one of our own and all those affected by breast cancer. Our sponsors generously supported the event, while our junior teams donated wonderful raffle prizes. Together, our community and sponsors raised more than $6,000. Markets and food vans added to the weekend's atmosphere, and we look forward to continuing this meaningful event next year.

In August, we opened our fields to our club families and the wider community for a Colour Run. With market stalls, laughter and plenty of colour, Parkes Avenue Reserve became a rainbow as everyone joined in the fun.

On the field, our teams trained hard, continued learning and supported one another throughout the season. Our All Age Men's Division 9 team finished at the top of their ladder and reached the Grand Final. Although they did not secure the final win, we are incredibly proud of their effort and achievements.

Our Under 13 Division 4 boys won their Grand Final, an outstanding achievement celebrated by our club community cheering from the sidelines. Across all teams, we saw growth in confidence, skills, teamwork and sportsmanship.

Our fields remain an ongoing challenge. Sprinkler and drainage issues continue to affect their condition, while the lights over the Mod Fields are not working, limiting evening training options. We are continuing to work with Council towards finding solutions and improving facilities for our players.

Looking ahead, 2027 marks Henry Lawson Football Club's 50th anniversary. We look forward to celebrating our history and everyone who has contributed to the club. Plans include exploring dugouts for our full fields, introducing new playing jerseys and creating further opportunities for our community to come together.

Thank you to Nepean Football Association for the help, guidance and support provided to our club throughout the season. We greatly appreciate your assistance and commitment to community football.

To our players, team officials, referees, volunteers, committee, sponsors, families and supporters—thank you. Your time, generosity and commitment make our club what it is. We look forward to celebrating our 50th anniversary together in 2027.
